

UNIVERSAL BRAKE/CLUTCH LINES AND ADAPTERS

**Braided
Stainless
Steel**

- Universal brake lines are the perfect solution for any brake or clutch line fitment for any bike.
- Hose features clear or black PVC coating, PTFE inner liner, and premium stainless steel braided armor.
- PVC hose coating adds great looks, abrasion protection to expensive parts, and resistance to damaging UV rays.
- PTFE liner is an inert material, compatible with all hydraulic and brake fluids, has a heat range of -158° to 500°, and shields brake systems from moisture, unlike other materials like nylon.

- Stainless steel braid is superior in pressure rating, flame resistance, and volumetric expansion to all other materials, including Kevlar®, resulting in unmatched stopping power.
- All hardware is beautifully chromed mild steel with a 96 hour salt spray rating.
- Best when used with Goodridge® universal adapters found on this page.

Brake /Hydraulic Clutch Hose
